

Adjust 2 Fit

Why buy two table throws, when one will do?

Now, you can cover both a six- or eight-foot tables with a single, very versatile table cover. The **ADJUST 2 FIT** easily converts to a crisp, tailored fit, regardless of the table size.

When used on an 8' table, it drapes nicely down all four sides to reach the floor. On a 6' table, the cover top folds over and holds the extra fabric on the sides, using stitched-in Velcro tabs, for a fitted look.

Available in 35 standard background colors, the premium quality polyester twill is easy to care for, stain and wrinkle resistant, washable, and easy to store and ship. Print options are either screen print or heat transfer.
