

Courier

Available Graphic Materials

Sizes

32½"W x 86"H

Standard Hardware Colors

As a freestanding banner system, the *Courier* is well priced, so that even onetime use graphic needs make it an excellent choice.

Your digital fabric print is permanently affixed to a lightweight tubular base with dual support feet.

Stored in the base, a four-piece shock-corded pole supports your graphic.

The *Courier* sets up in under a minute to an assembled size of 33"W x88"H.

It rolls up and stores in an optional nylon carrying bag.
