No longer do your lightly-used banners go straight to the landfill!

The L-shaped ECONOMY Banner Stand sets up in seconds, is lightweight, portable and Incredibly affordable.

But, its best feature is your graphics are printed on our earth-friendly GreenLeaf™ banner material that recycles with other paper products.

Manufactured using post-consumer waste content and sustainable resources, GreenLeaf™ is perfect for one-time use graphics, like your agenda or sponsor list.

Easy to go green. When your event is over, simply recycle the banner and send us the hardware to apply your next event's graphics.
