

# Sprint

## Available Graphic Materials

## Sizes

40" to 96" tall and up to 48" wide

## Standard Hardware Colors

With its sleek European design, the ***Sprint Banner Stand*** is one of the most versatile freestanding displays available.

It's lightweight, portable, easy to ship and assembles in seconds without tools. You can quickly interchange graphics for a fresh look, event after event, and even during each event.

The adjustable telescoping center pole allows you to mount banner graphics between 40" to 96" tall and up to 48" wide.

The *Sprint* can also hold two graphics for a double-sided look. Store and ship your *Sprint* and banners in one of our durable *Banner Shipping Tubes*.

Three-Leg base linked by a bungee cord for a quick set-up
