

# Table Runners

Drape fabric **Table Runners** over any skirted table for quick, inexpensive branding.

*Table Runners* are basically narrow fabric banners from 24" up to 60" in width. This means they are easy to roll up, ship and store, ready for your next event.

*Table Runners* always measure 66" long (a 28" logoed front panel, plus an 8" drape off the back side, and 30" across the top of a typical meeting venue table).

Graphics can be screen printed on the fabric for one or two solid colors or full-color digital dye sublimation.
