Standard Hardware Colors

The innovative **VISION+** is a retractable banner stand packed with versatile design innovations.

It's built around an interchangeable cassette system, which allows you to quickly switch out one graphic message for another in seconds.

The **VISION+** also features a twist & lock telescopic pole for easy set up and control over the height of your stand.

Each stand comes with a padded carrying bag and is available in silver with charcoal grey end caps.

Shipping cases are available.

Features:

- Curl-Free Vinyl graphics
- Twist & lock telescopic pole assembly
- Variable height adjustment
- Drop-in interchangeable cassette
- Padded carrying bag
- Lifetime warranty on hardware
- 5 day production time
